## SUMMARY

Accomplished security and operations professional with extensive experience in managing complex security operations at military airbases and international airports. Proven expertise in strategic planning, risk assessment, crisis management, and personnel development, ensuring the highest standards of safety and compliance. Adept at designing and delivering targeted training programs, enhancing team readiness and operational efficiency. Demonstrated ability to lead cross-functional collaborations, streamline processes, and implement innovative security protocols. Skilled in coordinating real-time operations, responding to critical incidents, and fostering a culture of vigilance and continuous improvement. Committed to safeguarding personnel, assets, and infrastructure in high-security environments.

---

## KEY COMPETENCIES

- Security Operations Management
- Risk Assessment and Mitigation
- Crisis Management
- Personnel Training
- Emergency Response Coordination
- Aviation Security Protocols
- Threat Detection
- Operational Efficiency
- Safety and Compliance
- Resource Allocation
- Incident Response and Analysis
- Team Leadership and Mentorship
- Cross-Departmental Collaboration
- Process Optimization
- Strategic Planning and Execution

---

## PROFESSIONAL EXPERIENCE

### King Abdullah Air Base

Feb 2022 - Dec 2022

Security Consultant to the Base Commander

- Developed and executed strategic security protocols, significantly enhancing the overall safety and operational efficiency of the base.
- Provided expert risk assessments and security advisory to the base commander, ensuring the safeguarding of critical facilities and personnel.
- Collaborated with military and civilian security units to optimize security operations, enhancing coordination and readiness in response to potential threats.
- Led specialized training programs for security personnel, elevating their skills in surveillance, threat detection, and emergency response preparedness.

Assistant Commander, Airport Security Wing

Feb 2021 - Feb 2022

- Assisted in overseeing airport security operations, ensuring compliance with aviation security standards and maintaining a secure environment for personnel and assets.
- Supported the development and enforcement of security policies and procedures, enhancing the efficiency and effectiveness of security measures across the airport.
- Coordinated with multiple security units and government agencies to ensure seamless execution of security protocols and rapid response to any incidents.
- Supervised and mentored security teams, fostering a culture of vigilance and professionalism while improving operational readiness and incident management.

Director of Administration and Training, Airport Security Wing

Dec 2018 - Feb 2021

- Directed the administration and training department, managing personnel development, operational logistics, and resource allocation to support the security wing's mission.
- Designed and implemented comprehensive training programs tailored to meet aviation security standards, enhancing the skillsets and operational efficiency of security personnel.
- Oversaw the department's administrative functions, including policy development, performance assessments, and scheduling, ensuring seamless and effective daily operations.
- Facilitated cross-functional coordination with senior leadership to ensure training initiatives aligned with organizational objectives, boosting team readiness and performance.
- Developed and enforced departmental policies, focusing on continuous improvement and professional growth, fostering a culture of excellence within the security team.

- Managed and supervised the comprehensive security operations for airports and detachments, ensuring optimal resource distribution and reinforcing strong security protocols across all assigned sectors.
- Orchestrated cross-departmental collaborations, enhancing security protocols and response mechanisms to ensure swift, coordinated actions during high-risk situations and potential threats.
- Developed crisis management and emergency response plans, coordinating drills and simulations to ensure preparedness for a wide range of security scenarios, including potential breaches, evacuations, and threat neutralization.

Training Officer and Programs Instructor, Air Police Wing

Nov 2015 - Apr 2017

- Assessed the effectiveness of training initiatives through performance evaluations, feedback analysis, and drills, driving continuous improvement in skill development and operational readiness.
- Developed customized training modules aligned with both national security regulations and base-specific requirements, ensuring personnel were well-prepared for evolving security challenges.
- Designed and led advanced training programs, focusing on tactical operations, security protocols, and crisis management, significantly enhancing the operational capabilities of air police personnel.

**King Abdulaziz International Airport Security Unit****Nov 2013 - Nov 2015**

Director of Safety and Traffic Department &amp; Instructor

- Led the safety and traffic operations within the airport security unit, ensuring strict adherence to aviation safety guidelines and optimizing traffic management in high-security zones.
- conducted targeted safety training sessions for personnel, focusing on enhancing expertise in emergency management, risk mitigation, and traffic regulation within secure airport areas. Conducted thorough evaluations of safety procedures and traffic protocols, implementing innovative solutions to address identified risks and streamline operational processes for improved safety and efficiency.

**King Abdulaziz International Airport Security Unit****Jun 2012 - Nov 2013**

Training Officer &amp; Instructor

**King Abdulaziz International Airport Security Unit****Jan 2011 - Jun 2012**

Operations Room Officer

---
