 - Certification Readiness & Accreditation Management (Saudi & GCC)
 - Risk Management & Risk-Based Thinking (ISO 31000)
 - Non-Conformance, CAPA & Root Cause Analysis (RCA)
 - Manufacturing & Food Production Quality Control
 - Supplier & Raw Material Quality Assurance
 - Process Standardization & SOP Implementation
 - Continuous Improvement & Defect Reduction (Lean Quality)
 - Regulatory & Statutory Compliance (KSA)
 - Occupational Health & Safety (NEBOSH / IOSH / OSHA)
 - Quality KPIs, Performance Monitoring & Reporting
 - Documentation Control & Audit Evidence Management
 - Operational Excellence & Productivity Enhancement
 - Team Leadership & Quality Culture Development
 - Cross-Functional & Stakeholder Coordination
 - Change Management in Regulated Environments
 - ERP Systems & Digital Quality Management Tools
 - Microsoft Office (Word, Excel, PowerPoint)
 - Data Analysis & Quality Performance Dashboards
-

PROFESSIONAL EXPERIENCE

Quality Assurance / Quality Control

JADCO - Al Jouf, Saudi Arabia | September 2025 – Present | Full-Time

- Leading QA/QC activities across agricultural and food production operations, ensuring compliance with ISO 22000, HACCP, GMP, and Saudi regulatory requirements.
- Implementing quality inspection plans, process controls, and documentation systems to strengthen food safety, traceability, and audit readiness.
- Coordinating with production, supply chain, and management teams to reduce deviations, improve product conformity, and support continuous improvement initiatives.

Quality Control & Assurance Manager

Elite Experts Company Industry – Riyadh, Saudi Arabia | January 2025 – August 2025

- Led end-to-end QC/QA operations, ensuring full compliance with Saudi regulatory requirements and ISO-based management systems.

- Reduced quality non-conformities by 20% through effective implementation of inspection plans, CAPA, and preventive controls.
- Managed internal and external audits, improving audit readiness, documentation traceability, and compliance performance.

Quality Control & Assurance Manager

Meral Gate Factory for Industry – Riyadh, Saudi Arabia | November 2020 – October 2023

- Oversaw factory-wide quality systems and successfully qualified the facility to obtain Saudi & GCC Quality Certificates and Marks.
- Improved supplier and raw-material compliance by **15%** through structured quality evaluation and acceptance criteria.
- Established quality KPIs and workforce performance monitoring, strengthening quality culture and operational consistency.

Quality Engineer / Production Engineer

Al Jouf Agricultural Development Company – Al Jouf, Saudi Arabia | November 2019 – November 2020

- Supervised food manufacturing processes (olive oil & pickles), ensuring compliance with GMP, HACCP, and food safety standards.
- Implemented quality inspection and reporting procedures that reduced deviations and production rework.
- Coordinated with procurement and logistics teams to maintain continuous production flow and quality conformity.

EDUCATION

- **Bachelor of Biomedical Engineering**
Almughtaribeen University, Khartoum, Sudan | October 2013 – August 2019
