RECOMMENDATION LETTER

Re: Dr. Noura Khalil Mohammed Sha'ban

I am pleased to recommend **Dr. Noura Khalil Mohammed Sha'ban** as a candidate for postgraduate dental education. I supervised Dr. Noura during her internship year in dentistry department (orthodontic clinic) in Ibn Sina National College. I would like to approve of her regular attendance and high level capacity which enables her to complete her postgraduate studies and help her to move upward in her academic level without any hindrance. Her work demonstrates an attention to detail and ability to integrate material to larger framework.

I believe Dr. Noura has strong academic and clinical skill as well as strong morals which make her a very strong candidate in the orthodontic postgraduate program. If there is any question I can answer please feel free to contact me.
